Phil & Laurie

Fiddler on the Roof is a musical with music by Jerry Bock, lyrics by Sheldon Harnick, and book by Joseph Stein, set in the Pale of Settlement of Imperial Russia in or around 1905. The story centers on Tevye, a milkman in the village of Anatevka, who attempts to maintain his Jewish religious and cultural traditions as outside influences encroach upon his family's lives. He must cope with the strong-willed actions of his three older daughters who wish to marry for love; their choices of husbands are successively less palatable for Tevye. Through narration and song, Phil & Laurie present this classic.

April 25

Edie Dicaro

An accomplished singer, funny lady, and DJ. The most appealing thing about Edie is her bubbly gift of living life right in front of your very eyes. She's a real charmer with a vibrant personality and a great repertoire.
